

To all the Supermarkets and big commercial stores that operate 'Self Check-outs'..... You are heading towards almost exclusively self-checkout now. Yesterday I went shopping at one such store and the lady checking receipts at the exit was stopping everyone.

I didn't choose to participate in that nonsense, I had already filled my trolley, emptied my trolley and scanned the items, refilled my trolley and so I just skipped the exit line and left.

I heard her saying "Umm - Excuse me " as I kept walking and raised the receipt above my head, leaving the store.

You can either trust me to do self-checkout, or you can put your cashiers back in place like it used to be.

- I'm not interested in proving that I did your job for you.
- If you want me to be a cashier with no training then that's your problem not mine.
- Keep employing young people and give them job opportunities.

YOU DON'T PAY ME TO SCAN MY OWN SHOPPING.

YOU DON'T GIVE ME STAFF DISCOUNT FOR WORKING FOR YOU.

Signed .....All of us

People we need to share this statement its basically about PROFIT to the stores AND putting People out of a JOB....!!!
